## THIRD CLASS DISTRICTS

A third class district is one with a population of less than one thousand and is controlled by a board of three members. A third class district employing more than one teacher may employ either a superintendent or principal or both. The one room rural schools of which there are slightly over nine hundred with an enrollment of approximately 9,300 are not included here.

## COUNTY HIGH SCHOOLS

A County High School is under the control of a County High School Board. The administrative officer for the board is the High School Principal. The County High School Board consists of seven members, of which the county superintendent is one and the remaining six are appointed by the county commissioners. The number of teachers listed is in addition to the principal.
